

Protecting Planet Earth from Military and Non-military Space Threats

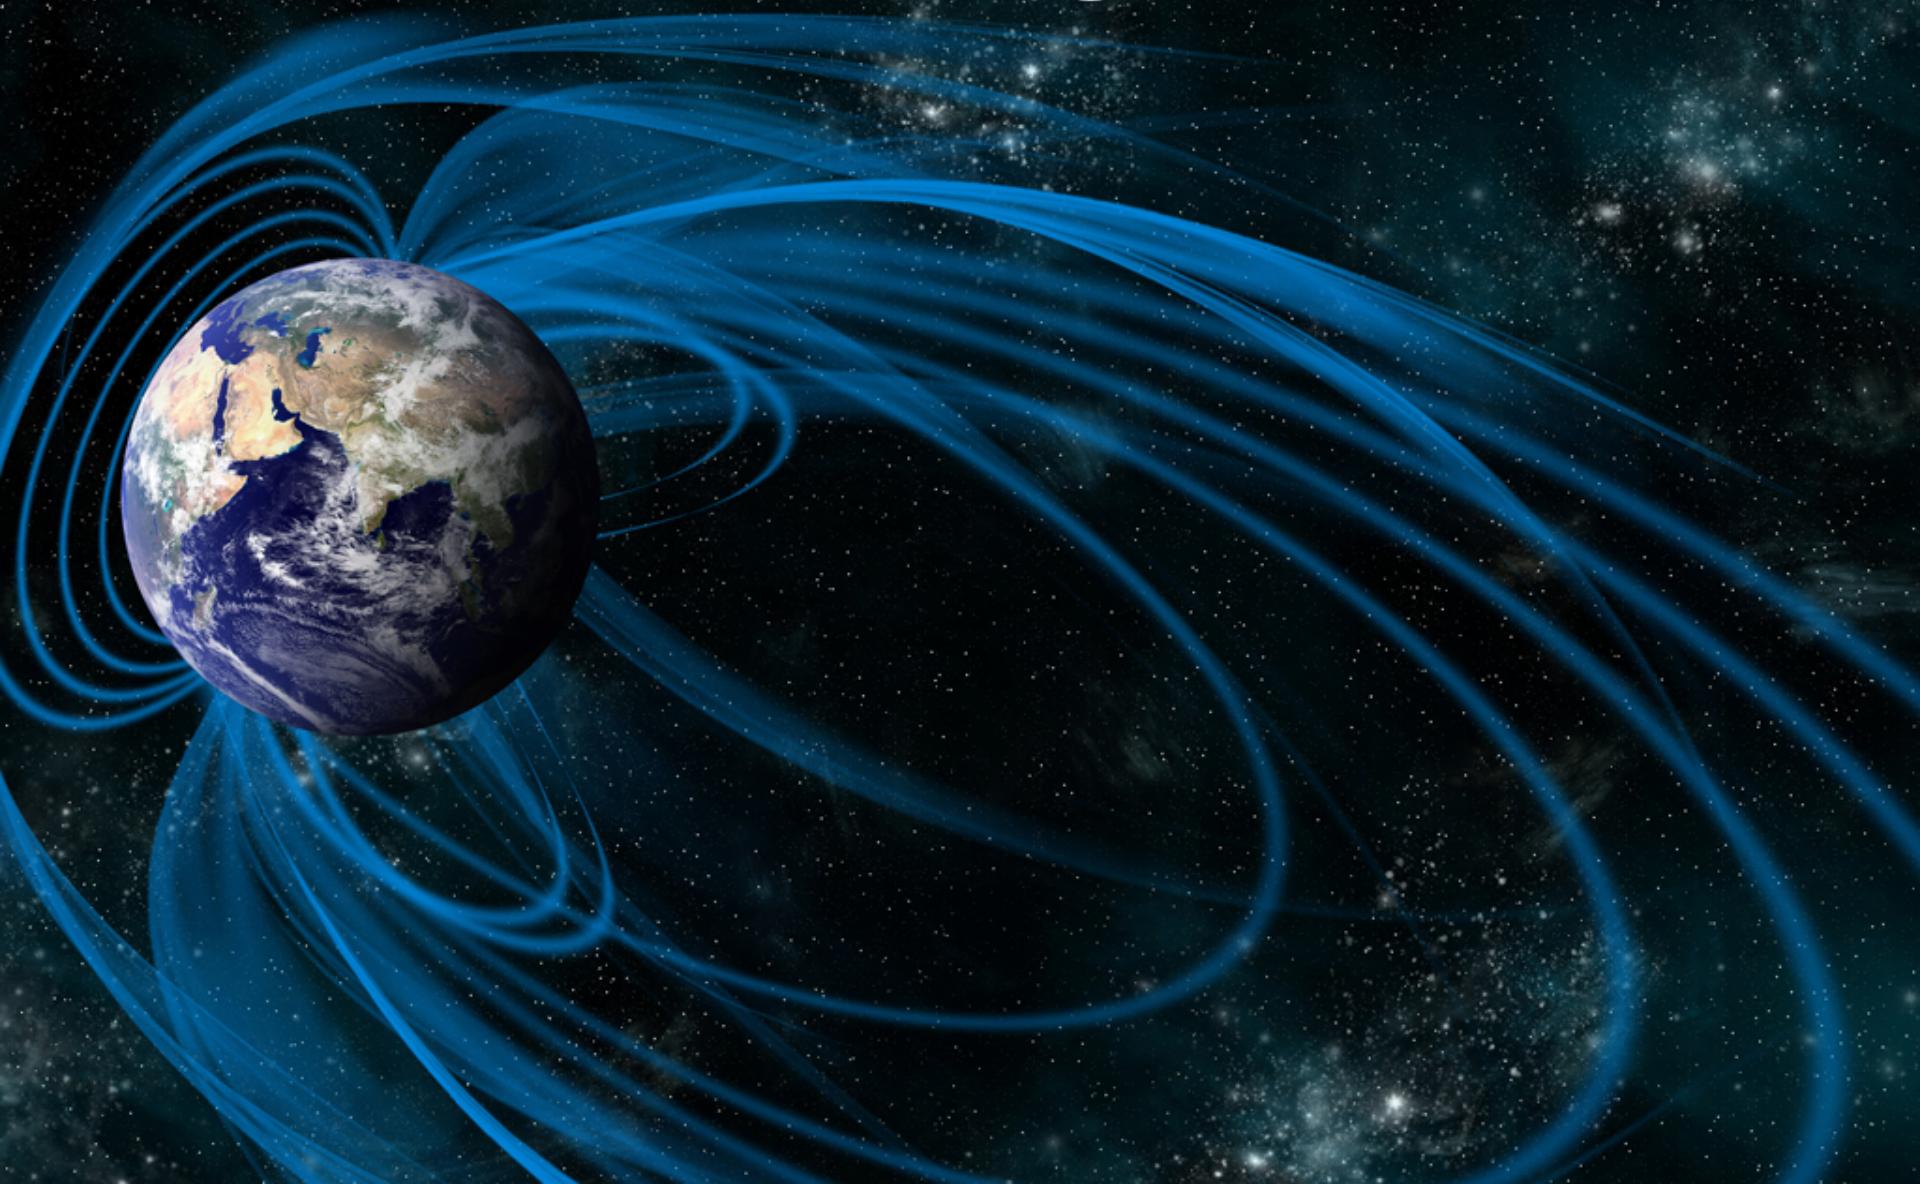

Igor Ashurbeyli

A detailed image of the Sun's surface, showing its granular texture and intense orange-yellow glow. A massive, bright solar prominence extends from the left side, curving upwards and outwards. The background is a dark, star-filled space.

Solar storms and flares

Geomagnetosphere

Asteroids and comets

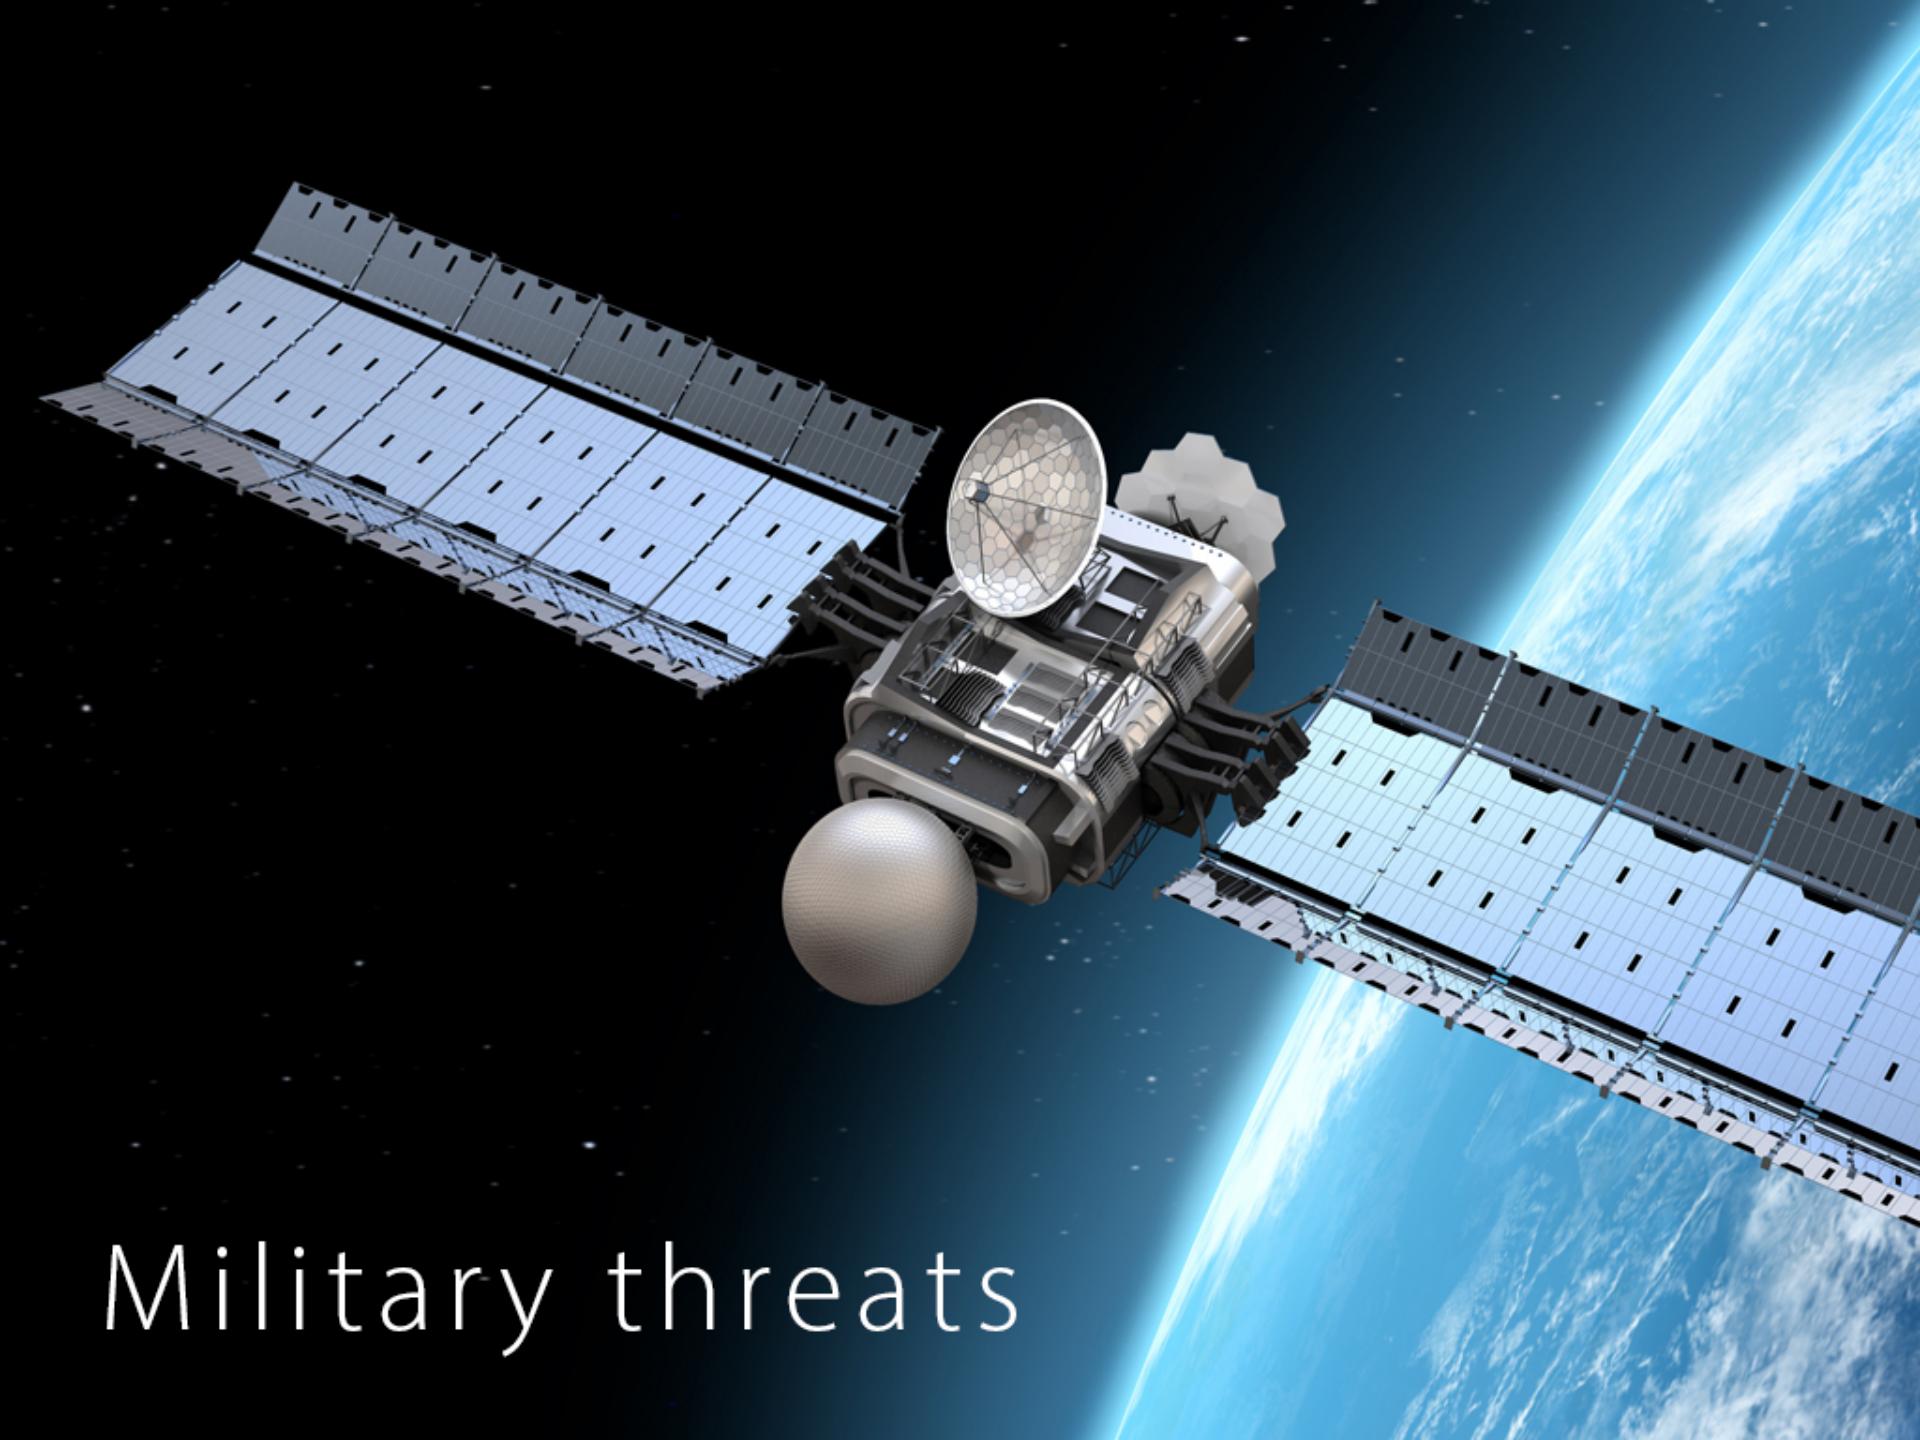

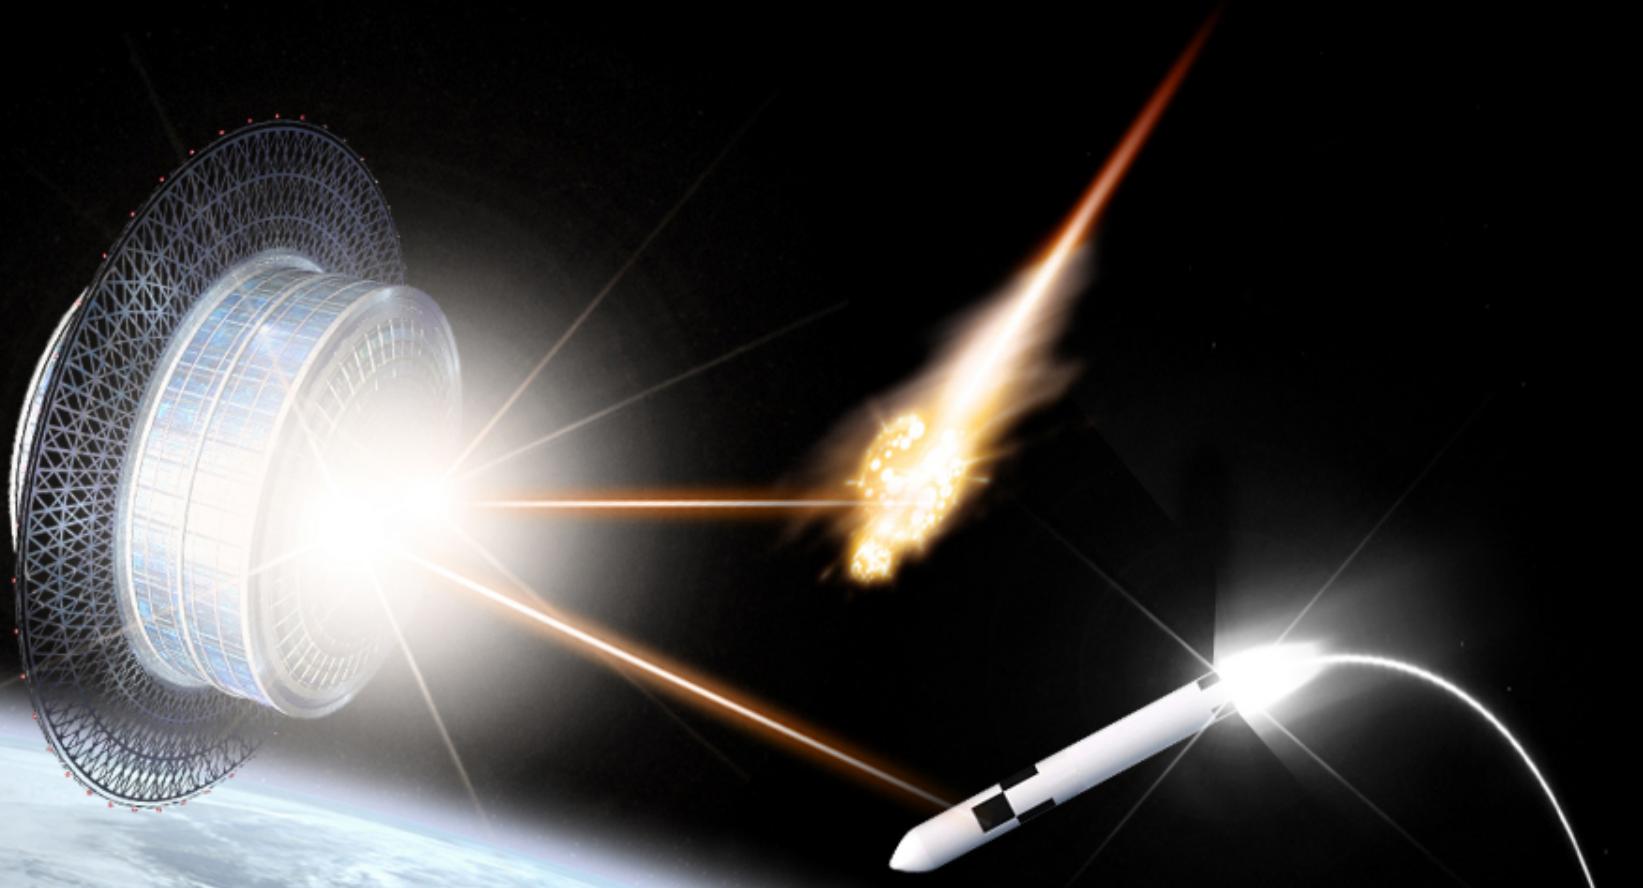

The Chelyabinsk meteorite

Space debris

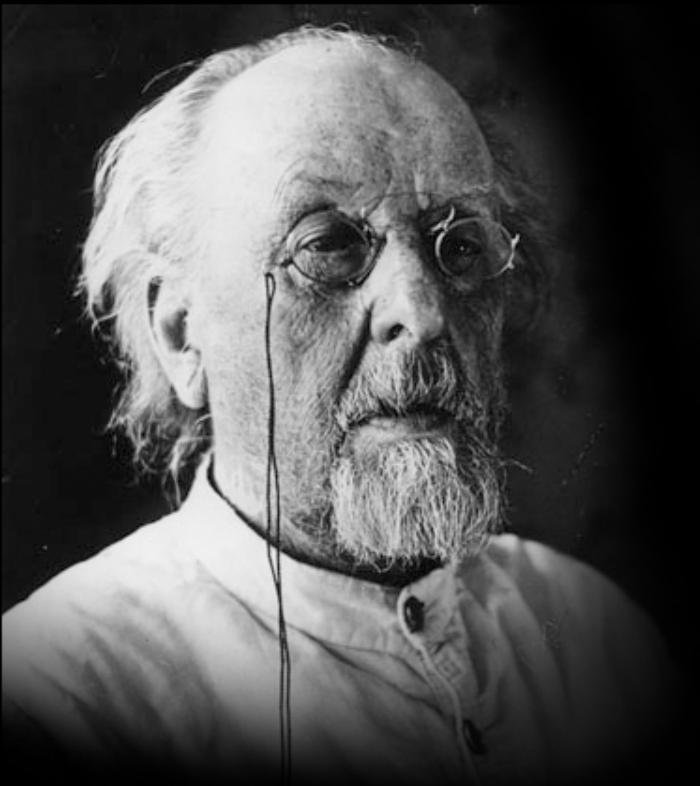

Military threats

URBOCOP

International legal aspects

"Earth is the cradle of humanity,
but one cannot live in the cradle forever".
